

Adelaide University Gliding Club Inc.

Fees & Accounts Procedures

Effective 12 September 2009

1 Introduction

This document is intended as a definitive account of AUGC charges and fees and related policy and is endorsed by the AUGC Executive Committee. It should be used as the reference for all AUGC member transactions and promotional material.

This document will be updated to reflect any changes in rates or policy. The most recent version is available from the Treasurer <treasurer@augc.on.net> or from the AUGC web site <www.augc.on.net>. Enquiries about the policy or interpretation should be directed to the Treasurer.

2 Customer Accounts

Charges for flying, memberships and purchases are recorded on customer accounts. All members have an account and should endeavour to keep it out of the negative. Especially for non-members, the expectation is that accounts will be settled before leaving the airfield. Groups (e.g. families) can elect to charge to the account of a single group member. Similarly, guests of a Club member can elect to charge their expenses to that member's account. All such cases should be arranged with the Treasurer or clearly indicated on the flight sheet.

2.1 Payment Options

Cash or cheque payments may be made into the AUGC cash tin at the airfield. Cheques should be made out to "Adelaide Uni Gliding Club Inc." All payments must be recorded on the back of the flight-sheet/airfield cash sheet and witnessed and initialled by the Duty Pilot or a delegate thereof. If the payment is for a book, membership or other specific purpose, this should be noted. When a combined payment is made on behalf of multiple members (e.g. from the same family, but operating separate accounts), the amounts for each person should be recorded separately.

Cash or cheque payments may also be made directly to the Treasurer or the Assistant Treasurer, accompanied by an explanatory note.

Cash payments may be made to the Sports Association office in the Union Building at Adelaide Uni. The Sports Association staff will provide a receipt in this case.

Payment by direct transfer to the Club's bank account is also possible. Account details are:

| | |
|-----------------|---|
| BSB: | 085 005 |
| Account Number: | 20744 5568 |
| SWIFT Number: | NATAAU3305A (for payments from outside Australia) |

Payment of AUGC accounts by credit card is not currently possible. GFA has provided "credit car payment forms" for the payment of GFA membership fees. People wishing to use these forms are required to forward both the form and the payment to GFA (i.e. AUGC is not acting as agent).

2.2 Account Enquiries

Customers have the option to receive regular account balance notices by email. Balances or detailed accounts are available through the Club's online booking system (go to www.augc.on.net and click on "Bookings") or may be requested from the Assistant Treasurer <accounts@augc.on.net> or Treasurer <treasurer@augc.on.net> at any time. However these statements may not always include flights/payments made in the preceding two weeks.

3 Concession Rates

Some Club fees are charged at lower rates for approved concession holders. Those qualifying are: all Adelaide University students, full-time students at other tertiary institutions, primary & secondary school students and pensioners. New customers claiming concession status must record details such as university/school name and student card number on their GFA and/or AUGC membership application forms. The Treasurer has the final say on the eligibility of any person for concession rates.

Concession rates are available to AUGC members only. The only exception is for AEF packages, which are available at concession rates to all those qualifying as described above. Additional launches and flying is at normal rates.

Whenever a flight is charged to a party other than the pilot, it is the pilot's concession status that determines the rate.

4 AUGC and AU Sports Association Membership

There are several classes of membership of AUGC. Active flying members may be Ordinary Members or Life Members.

AUGC is affiliated with the Adelaide University Sports Association and Sports Association membership is a requirement for all active flying members. The Sports Association fee is \$0 (AU Student), \$66 (normal) & \$11 (Junior). The annual fees for Membership of AUGC, *including* 12 month Sports Association fee as applicable, are:

| | |
|-----------------------------|---|
| Normal | \$150 |
| Concession | \$96 (This includes full-time Flinders Uni and UniSA students) |
| Adelaide Uni Student | \$30 |
| Junior | \$41 (Under 18 non-Adelaide University students) |

Members are not required to pay a Sports Association fee to AUGC if they have paid this to another Adelaide University Sporting Club or the Sports Association directly and provide AUGC with a receipt number.

Life Members are not required to pay AUGC or Sports Assoc membership fees. The Club will pay the Sports Assoc fee of a Life Member on request.

AUGC and Sports Assoc membership is valid until the end of February. AUGC membership fees paid between November and February are carried over to the following full year. Sports Association fees paid in January and February may be carried over.

Members wanting to renew must either:

- a) Make the required payment at the airfield and record it on the flight-sheet as AUGC/Sports Assoc membership.
- b) Rejoin at the O'Week desk (noting that O'Week packages described in Section 9 are for new members only).

- c) Contact the Treasurer requesting renewal. If the member's account balance will not cover the renewal then the member will have to forward money as well before the membership renewal will be processed.

New Ordinary Members must complete an AUGC & AUSA membership application forms and pay the appropriate membership fees. New members should use the application form at Appendix 1 to the Constitution, which can be found on the web site.

Paid-up AUGC/AUSA membership is mandatory for all those flying except AEFs, Passenger/Friends and visiting members of other GFA-affiliated clubs.

5 GFA Membership

Membership of the Gliding Federation of Australia (GFA) is compulsory for all persons taking the controls of a glider or winch. The Duty Pilot or Instructor may request that a membership card or receipt be produced to prove GFA membership.

New/introductory GFA member details and fees may be collected by AUGC on behalf of the GFA. Ongoing GFA members are responsible for dealing directly with the GFA for renewals, change of address, etc.

AUGC encourages all trainees to become full-time GFA members. Those who only hold Introductory GFA membership are not allowed to fly solo.

Current GFA rates are attached at Appendix E.

6 Flying Rates

6.1 Standard Rates

| | <u>Normal</u> | <u>Concession</u> | |
|-----------------|---------------|-------------------|--------------------------------------|
| Winch Launches: | \$6 | \$5.00 | (for any winch launch at Stonefield) |
| KRO | 60c/min | 30c/min | |
| GNF Arrow | 30c | 15c | |
| GMI/GTX Libelle | 45c | 30c | |
| WVA PIK-20 | 50c | 40c | |
| FQW Motorfalke | 80c | 80c | Engine time 90c/min for all |
| BVGC Aircraft | 60c | 50c | |

* For use of aircraft operated by other third-parties, AUGC will pass on the full hire charge where applicable. Concession rates may not apply.

A table of total flight cost by duration is provided in Appendices A & B for winch-launched AUGC aircraft and Appendix C for the Motorfalke.

See Section 8 for AEF and other package rates.

6.2 Flight Types and Person Charged

The type of each flight is marked on the flight sheet using one of the categories listed below. For each flight, aircraft hire, launch and engine costs are charged to pilots' accounts as follows, unless otherwise noted in the Remarks column on the flight sheet.

- a) Air Experience Flights (AEF): Charged to the trainee at the applicable AEF rate.
- b) Training Flights (T): Charged to the trainee.

- c) Check Flights (C): Charged to the pilot being checked. This is assumed to be the non-instructor aboard. Where two instructors are aboard, clarifying comments should be made on the flight sheet.
- d) Passenger/Friend (PF): Charged to the pilot. The pilot may choose to privately recover costs from the passenger, noting that GFA rules require that the pilot must bear at least half the cost ¹.
- e) Local (L): If flown solo, charged to the pilot. For flights with two pilots, each pilot will be charged 50% of the amount they would otherwise pay as the only pilot. Thus concession holders will be charged 50% of the concession rate, and other pilots will be charged 50% of the normal rate.
- f) Declared Cross County (DX): Charged as for local flights except that, for Club members flying AUGC aircraft, aircraft hire is charged only for the first 3 hours of the flight.
- g) Instructional DX (IDX): Charged to the trainee. For Club members flying AUGC aircraft, aircraft hire is charged only for the first 3 hours of the flight.
- h) Evaluation flights (E): For AUGC aircraft, no charge for the first 30 minutes.

6.3 Special Rates

- a) Any flight in which an unintentional launch failure, such as a cable break, results in the aircraft landing-ahead is not charged. All simulated launch failures are charged at the usual rate (and hence should be recorded as such on the flight sheet).
- b) For Club members, flying time in AUGC aircraft at the home airfield between first light and 10AM is free of charge. Launches and engine time are charged at the usual rates.
- c) Where AUGC aircraft are flown using launch facilities provided by another club, the pilot is responsible for direct payment of launch fees to the other club, unless an alternate arrangement has been advised.
- d) Fees for launches performed by or on behalf of AUGC other than winch launches at the home airfield and self-launch by FQW will be determined on a case-by-case basis and may include tug ferry fees or other costs.
- e) Use of AUGC Aircraft away from the home airfield may incur a minimum hire fee based on the number of days the aircraft is away – contact the Treasurer for details.

For the purposes of determining flight charges, “AUGC aircraft” means an aircraft operated by AUGC Inc. This includes FQW, KRO, WVA, GMI, GNF, GTX and any other aircraft specified by the Treasurer.

7 Airfield Services Levy (aka Clubhouse Levy)

A levy is charged to those flying at the home airfield to contribute to maintenance and improvement of facilities. **\$5** is charged for each day a person flies. AEF packages and training packages include an airfield services levy component so these customers are not charged extra.

¹ GFA MOSP 16.2.4 - Private Passenger Ratings

8 Air Experience Flight (AEF) Packages

Air Experience Flights are available to new members and the general public. AEF customers who wish to return and fly another day should join the Club.

AEFs are structured with a standard package at fixed cost and an option for additional flying at extra cost.

8.1 Standard AEF Package

The base **AEF charge for winch launch or self-launch is \$90 (\$50 concession).**

This package includes:

- Up to 25 minutes flying in a twin-seater. The club aims to provide 20 minutes of flight time, but this cannot be guaranteed as it is dependent on weather conditions. Aircraft choice is at the discretion of the Duty Pilot.
- Introductory GFA membership
- Airfield Services Levy
- AUGC training logbook
- Up to 2 winch launches or
- Motorfalke engine time as required to achieve a 20-minute flight.

Following the first flight, a second winch launch (or engine time as appropriate) is included where conditions permit and the first flight has lasted less than 15 minutes.

AEF customers are entitled to a \$25 discount on becoming full members of AUGC/AUSA. within 1 month.

8.2 AEF Package Extension

If an AEF package customer chooses to continue beyond 25 minutes total flight time, then they are required to pay additional charges.

For winch launch, flight time beyond 25 minutes and additional winch launches are charged at normal Club rates (not concession rates) as shown in Section 6.1. For self-launch (i.e. FQW), the time beyond 25 minutes is charged at a flat rate of \$1.00 per minute, including engine time. A table of AEF charges is shown at Appendix D.

It is expected that Instructors, given suitable conditions, will aim to make AEF flights last about 20 minutes, and not continue beyond 25 minutes without making the customer aware that there are extra charges involved.

Where AEFs are provided other than with AUGC aircraft and launch facilities (e.g. by aerotow), additional charges may apply.

9 Prepaid AEFs, including O'Week

AEFs flights under the conditions in Sect 8 may be offered for sale in-advance at O'Week, during any on- or off- campus promotional activity or through email or phone enquiries.

The purchaser will be issued with a voucher, which must be endorsed by an officer or representative of the club. The voucher will also indicate a "valid to" date. The purchaser must surrender the voucher on claiming the discount, and this must be forwarded (via the cash tin) to the Assistant Treasurer/Treasurer.

10 Training Packages

To encourage new trainees, the Club offers members a discounted package for pre-solo training. It is intended to reduce the Club charges for a typical ab-initio trainee to go solo by approximately 30%. This package is available to AUGC members only. The rates and terms offered are varied from time to time but each package sold remains subject to the same conditions until expiry. Extra flying charges may apply for training undertaken other than in an AUGC fleet aircraft. The Exec may regulate the number of packages available each year to suit available training resources.

The training package includes:

- a) Current price is \$310 concession, \$475 for others.
- b) Includes AUGC (or BVGC) aircraft hire, winch launch and a limit of 1.5 hours of MotorFalke engine time, up to and including first solo flight* or up to expiry.
- c) Expires after 15 hours flying or 50 flights under the package or 12 months from purchase, whichever occurs sooner.
- d) Includes Airfield Services Levy.
- e) Includes GFA pilot logbook.
- f) Does not include GFA membership.
- g) Does not include AUGC or AUSA membership.
- h) Does not include AEF flights.
- i) Any flying fees incurred prior to receipt of full payment for the package may be included, but only at the discretion of the Treasurer.
- j) It is recommended that trainees should complete at least one day of post-AEF training prior to committing to purchase of a training package.

* Note that full/annual (not Introductory) GFA membership is required to fly solo and this is not included in the package.

10.1 Extension

The expiry date of a training package may be extended once only by 12 months provided

- a) The extension is requested by contacting the Treasurer before expiry.
- b) A surcharge of \$30 is paid.
- c) Member must renew their AUGC/Sports Association membership as required at their own expense.

Packages that are extended in this way become subject to the package terms in force at the time of extension.

10.2 Cancellation

Partial refunds of training package fees are permitted in some circumstances at the discretion of the Treasurer. Any request to cancel must be made to the Treasurer before expiry. In case of a cancellation, all applicable flying charges, membership fees, books, levies etc. will be charged to the customer at the usual rate and the remainder of the package purchase price will be refunded, less a cancellation fee of \$50.

11 Bulk Flying Package

The Club offers a bulk flying package to reduce costs for those who fly a large number of hours with the Club in a given year, to support Club members in competitions and to encourage active pilots to increase the number of hours they fly. The package is available to all AUGC members, and costs **\$1480 (normal)** or **\$1000 (concession)**.

Subject to the restrictions below, purchase of the bulk flying package entitles the holder to fly unlimited hours in Club aircraft without paying aircraft hire costs. The package-holder remains liable for all other costs, including launch fees and Motorfalke engine time. The package is valid for 12 months from the date of purchase.

Flights where the package holder is exercising the privileges of an AEI or instructor rating cannot be paid for under the package. For local and DX flights with two pilots, the package only covers the holder's portion of aircraft hire costs. If the holder wishes to pay some or all of the other pilot's costs these costs will be charged to the holder's account. Similarly, for passenger flights, half of the cost is covered by the bulk flying package, and the remaining half is charged to the pilot's account.

Payment must be made in full and the package cannot be purchased on credit. Partial refunds or alternate payment terms will only be offered in exceptional circumstances and at the discretion of the Treasurer.

12 Hangarage Fees

There is a charge of \$6 per week per aircraft for hangarage of private or third-party aircraft in AUGC hangars. Where AUGC sub-lets space in a third-party hangar to AUGC members, AUGC will charge \$6 per week per aircraft or will pass on the full fee charged by the hangar owner, if that is greater.

13 Miscellaneous Sales

13.1 Food & Drink

Cash payments for food and drink should be made directly into the relevant cash tin before taking items. If not paying cash, AUGC members may record food purchases on the sheets affixed to the fridges in the clubhouse and at West Beach. Once made, markings on these sheets should generally be left intact and not deleted in the event of future payment. Any cash payments against food and drink debts marked on the fridge should be recorded on the flight sheet. The fridge sheets will be processed and debited to member accounts at regular intervals.

Prices are displayed on or near the fridge. From time to time (e.g. at an airfield BBQ) the Club may sell other food, and the prices charged will be set by the organiser on the day.

13.2 Books

Book purchases/payments should be recorded on the flight sheet. The following prices apply unless books are otherwise marked by the Clubhouse Officer.

| | |
|----------------------------------|-----------------------|
| BGK (5th Ed) | \$25 |
| GFA Daily Inspector's Handbook | \$15 |
| GFA Airways and Radio Procedures | \$5 |
| GFA pilot logbook | \$5 |
| AUGC training logbooks | Free for AUGC members |

14 Reimbursements

Members may receive credit to their accounts for expenses incurred on behalf of the Club.

Reimbursement requires that the relevant receipts are submitted promptly to the Treasurer or Assistant and that they bear the name of the member and the reason for the expense (e.g. Winch parts, Clubhouse consumables). Receipts for airfield or winch items may be submitted to the SAA Treasurer but reimbursement will still be via AUGC member accounts unless arranged otherwise.

All reimbursements for AUGC expenses are subject to Exec ratification. Members should seek the approval of the Exec before incurring any large expenses for which they will seek reimbursement.

Members with positive account balances may request an account payout from the Treasurer. The Treasurer will make every effort to pay the amount in an expedient way. Please provide bank account (BSB and account numbers) when making a request.

15 GST

GST is not payable by customers on any AUGC fees or charges.

Change History

| Eff.Date | Author | Changes |
|----------|-------------|---|
| 19/3/03 | T. O'Connor | Original. |
| 1/5/03 | T. O'Connor | Updated GFA rates. AEF rates increased \$5. |
| 8/7/03 | T. O'Connor | Added description of fridge tick sheets. Correction of AEF rates table. |
| 4/12/03 | T. O'Connor | Added Motorfalke rates incl. AEF package. Updated AEF rules. |
| 19/8/04 | T. O'Connor | Added 10.3, 10.4. Removed SA Jnr fees. Clarified GFA subsidy. Amended tables & Levy |
| 15/9/04 | T. O'Connor | New winch launch & package rates. |
| 21/11/04 | T. O'Connor | Simplified AEF rates. Added Sect 13. Updated Appendices A-D. |
| 16/2/05 | T. O'Connor | Updated O'Week deal. Clarified impacts of using BVGC winches & aircraft. |
| 06/04/05 | C. Starr | Updated details of the training package. |
| 18/01/06 | C. Starr | Added bulk flying package. Upgraded Section 6. |
| 1/02/06 | T. O'Connor | Added Social membership. Updated hire, membership, levy & package charges |
| 27/2/06 | T. O'Connor | Revised Sports Assoc requirements for AU students. 30 min limit for free eval flights. |
| 1/6/06 | T. O'Connor | Updated GFA fees. Discount for GZM flown solo. |
| 1/7/06 | T. O'Connor | Updated book prices |
| 1/9/06 | T. O'Connor | Concession rates for AUGC members only. Various updates to reflect the move of some services from BVGC and AUGC to SAA. Extension of GZM discount. |
| 1/12/06 | T.O'Connor | Changed concession launch rate and BVGC hire rate. Added minimum hire fees for multi-day hire. Removed Social membership of AUGC. Update SAUA fees. |
| 1/5/07 | G. Newbold | Removed Social/Honorary memberships. Updated AEF and FQW fees. Removed self launch engine time from training package. |
| 1/7/07 | G. Newbold | Correction to FQW flying/engine rates. GFA Fees Update |
| 25/1/08 | G. Newbold | Add Junior membership rates |
| 1/2/08 | G. Newbold | Section 9 – "O'Week Discount" to be determined year to year – now "Prepaid AEFs" |
| 22/2/08 | G. Newbold | Section 4 – 2008 AUSA membership fees; Section 4 – Rebate on membership when joining within 1 month |
| 16/7/08 | G. Newbold | Section 8 – New AEF Rate; Section 2 – International banking details added |
| 7/9/09 | G. Newbold | Section 6.1/6.3 – GZM references removed. Section 9 – O'Week discount discontinued. GFA rates updated. |
